

Merger press release

Tampere, Finland, 6 November 2018

Vipmek Oy to merge with Kiinnike-Kolmio Oy on 1 January 2019

Vipmek Oy and Kiinnike-Kolmio Oy will combine their expertise and product portfolios to enhance and improve their customer service capabilities.

With this merger, Kiinnike-Kolmio Oy will be able to service its customers in a much wider geographic area and with a more diverse selection of products.

The products that Vipmek imports, such as Max professional work tools, Gripple wire joiners, Trelawny work tools, Heco fasteners and Kunkel concrete anchors, will be included in Kiinnike-Kolmio Oy's product catalogue.

We are certain that this merger will help Kiinnike-Kolmio Oy become an even better partner for its customers, vendors and other stakeholders.

Yours in collaboration,

Kiinnike-Kolmio Oy
